Camp Philosophy

Our goal is to make each camper's summer a safe and enjoyable experience. Campers will learn to be considerate of others, play fairly, and cooperate within a group. Each camper will gain something, whether it's new friends or new knowledge. As a result, campers will gain self-confidence and a healthy attitude.

Camp Information

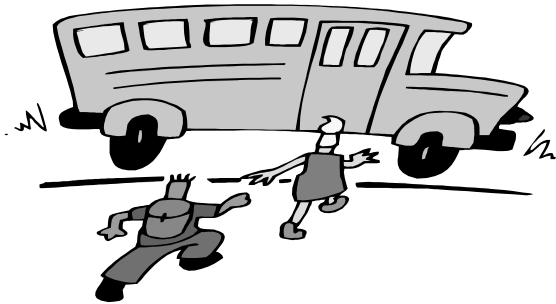

Summer Camp meets Monday—Friday from 8:30am to 3:00pm and is open to any boy or girl entering grades one through six in the fall. Boys and girls going into 7th, 8th, and 9th grade are only eligible to participate in the Summer "Sparks" program. Breakfast and lunch are provided every day with the exception of a few days. All campers will receive a camp shirt.

Medical Forms

All campers must submit a current physical exam record in order to attend camp. Children will be **unable** to participate in camp without a physical form on file.

Camp Activities

Each day the staff will bring new and exciting activities into your child's life. Campers will participate in a rotating schedule that will consist of Arts and Crafts, Computers, Game Room, Gym, Math, Reading, and Sports. Campers will also enjoy fun field trips, guest entertainers, and special events.

Field Trips

A variety of field trips are planned for the summer, which may require additional fees to be collected.

Some of this summer's field trips:

Lake Compounce

Lake Quassy

Bridgeport Bluefish Game

SUMMER CAMP POSITIONS

Applications for employment are available at the front desk.

"SPARKS"

The "Sparks" program is for boys and girls entering 7th, 8th, 9th grades. Working closely with the Sparks Staff, this program will focus on skill-building, community service projects and team work. Every youth enrolled in this program is required to participate in a week-long trip to California.

Note: there is an additional fee of \$100.00 which includes all travel expenses and meals.

Travel Dates: July 26—July 31.

Camp Staff

State of Connecticut camp regulations are strictly adhered to, providing for a very high staff-to-camper ratio.

Our Counselors are chosen on the basis of experience, specific skills, and commitment to our philosophies.

A certified first aid staff member is present at all times.

Counselor-in-Training Program

This is a training experience designed for youth who have completed the eighth grade and are under the age of sixteen. These youth must also be interested in becoming camp counselors in the future. C.I.T.'s will receive training and hands-on experience. Interested candidates need to apply at the center during the month of April.
